All we ask of you is to give Cal-cura Solvent, Dr. Kennedy's latest medicine, a chance to dissolve the stone, gravel and uric acid that may be present in your kidneys, bladder and blood. We are so sure that it will do this and expel this irritating and poisonous matter from your system and thus cure the kidney disease or bladder trouble, that we agree to return your money if the medicine fails to cure. We will take all the risk, to induce you to give Cal-cura Solvent a trial. It is the only medicine for kidney and bladder troubles sold under a guarantee to cure or refund the money. We are warranted in making this liberal offer, as its record of cures is nine out of every ten cases. It is not a patent medicine, but a prescription used by Dr. Kennedy in his large private practice, with unflinching success. Try it to-day on this offer.

The man that has always had his Overcoat made "to-measure" will find in our "ready-for-service" garments just as much style, just as satisfactory a fit and just as good an all-around Overcoat as the tailor can give him. He'll find it at a price far below the amount he has been in the habit of paying his tailor. We have the Long Coat, the Medium Length, the Tourist Coat, the new Double Breasted Coat, the Paddock Coat, etc. Whatever your preference may be, we are able to show you "just your Coat." Conservative prices always. \$10.00 or \$12.00 up to \$20.00 or \$25.00 for extreme luxury. Better, however, and different from the Coats other stores sell at these prices.

HAZING HAS STOPPED.

So Says Superintendent Mills of Country's Army College.

Washington, Oct. 14.—Gen. A. L. Mills, superintendent of the Military Academy in his annual report, pictures satisfactory conditions as to discipline, military bearing and soldierly conduct

of the cadets and says that hazing has shown no symptom of reappearing. New cadets have been properly treated by cadets of the upper classes, not only when off duty but when on duty. The instruction of the fourth class by the cadets of the first and third classes during the summer months was marked by an absence of barabness.
